PARTS MANUAL

L-1094 LIQUID FERTILIZER METERING PUMP

LU-1094 FUMIGANT METERING PUMP

BLUE

SAFETY PRECAUTIONS

- EQUIPMENT SHOULD BE OPERATED ONLY BY RESPONSIBLE PEOPLE!
- A CAREFUL OPERATOR IS THE BEST INSURANCE AGAINST AN ACCIDENT!
- CHECK ALL VALVES, FITTINGS, HOSE CLAMPS, PLUGS, CAPS, ETC., FOR TIGHTNESS AND SOUNDNESS BEFORE ADMITTING FLUID INTO SYSTEM! ALSO CHECK AGAIN AT REGULAR INTERVALS! REPLACE HOSES WHEN WORN, CRACKED, OR LEAKING!
- BEFORE REPAIRING OR DISASSEMBLING THIS PUMP, FLUSH IT OUT THOROUGHLY WITH WARM, SOAPY WATER TO AVOID CONTACT WITH CHEMICALS THAT MAY BE INJURIOUS TO YOUR HEALTH!

—IMPORTANT—

IN THE SELECTION OF EQUIPMENT, THE USER SHOULD KEEP THE FOLLOWING IMPORTANT POINTS IN MIND:

- Ammonia Phosphate (neutral) Solutions and complete mixed fertilizers are **CORROSIVE** to aluminum. Carbon steel, lined steel, or 304 series stainless are therefore recommended.
- For Nitrogen Solutions, use **ALUMINUM** or **STAINLESS STEEL** for best results.
- DO NOT** use 304 stainless for phosphoric acid. Type 316 is recommended.
- Proper Maintenance is absolutely essential — **REGARDLESS** of tank material. (1) **DO** rinse the tank with water when changing from one solution to another. (2) **DO** rinse the tank thoroughly with water after each season or before any shutdown lasting over one week. (3) **DO NOT** allow sludge to accumulate in the bottom of the tank.

BE CAREFUL! REMEMBER: SAFETY IS NO ACCIDENT

LIMITED WARRANTY

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES AND REPRESENTATIONS. ANY IMPLIED WARRANTIES INCLUDING MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY. BLUE SHALL NOT BE LIABLE FOR CONSEQUENTIAL DAMAGES.

Each new machine or component (hereinafter called the "equipment") manufactured by Blue is warranted by Blue to buyer and to any party or parties to whom buyer may resell, lease or lend the equipment to be free from defects in material and workmanship under normal use and service. The obligation of Blue under this warranty is limited to the repair or replacement of defective parts or correction of improper workmanship of any parts of such equipment which shall within ninety days from the date of Blue's original delivery thereof, be returned to Blue's factory, transportation charges prepaid, and which Blue shall determine to its satisfaction upon examination thereof to have been thus defective. When it is impractical to return the defective parts of such equipment to Blue's factory, then Blue shall have no liability for the labor cost involved in repairing or replacing any such parts and shall be liable solely for supplying the material necessary to replace or repair the defective parts, provided that prior thereto Blue shall have determined to its satisfaction that any such parts are thus defective.

This warranty shall not apply to any equipment which shall have been repaired or altered outside Blue's factory in any way so as to affect its durability, nor which has been subjected to misuse, abuse, negligence or accident, or operated in any manner other than in accordance with operating instructions provided by Blue. This warranty does not extend to repairs made necessary by the use of inferior or unsuitable parts or accessories, or parts or accessories not recommended by Blue.

Blue makes no warranties in respect to parts, accessories, or components not manufactured by Blue, same ordinarily being warranted separately by their respective manufacturers.
